General logistical notes:

As we get closer to the Gathering dates we will be making room assignments of 2 people per room in the cabins and lodge building at Saratoga Springs. Please let us know if there is another attendee with whom you would like to share a room/cabin and we will make every effort to arrange. Meals will be a catered buffet style of fresh locally grown foods with a mixture of vegetarian and non-vegetarian options. Please tell us if you have any special requests about your logistics on this form or by emailing emily@storycenter.org.

Thank you for registering for the Gathering. We look forward to seeing you!
